

## MATERIAL SHEET

### 1. PRODUCT IDENTIFICATION

PRODUCT NAME: **DoubleStrip**  
SYNONYMS: Powerful Wax Stripper

**DoubleStrip** is a wax stripper that is formulated to be:

- Easy to use, non-combustible and non-flammable even in its most concentrated form.
- Chemically converts the insoluble film from old floor polishes into a soluble solution for easy removal
- Safer than high pH strippers. It is relatively mild with pH at 11 in its concentrate form which reduces hazard to skin, clothing, baseboards, paint and flooring

### 2. Suggested Usage

**DoubleStrip** is designed to remove modern floor finishes without scrubbing. Old fashioned waxes or floor sealers may however require scrubbing for removal. Designed exclusively for easy removal of floor finish from vinyl, vinyl asbestos, linoleum, linotile, marble, terrazzo, ceramic, quarry etc.

### 3. Usage Directions

**DoubleStrip** may be used

- Exaggerated build-ups along baseboard: Neat (no dilution)
- Heavy build-ups over an entire floor surface: Dilute 1:1 parts of water.
- Lighter build-ups: Dilute 1:3 parts of water.
- Scrubbing may be required for removal of extreme build-ups or removal of sealer.
- **DoubleStrip** will remove oil from skin so rubber gloves are recommended if one is to work in the solution for any period of time.

### 4. Packaging

- 20L drum

SuperSteam Asia Pacific Pte Ltd

## 5. HAZARDOUS INGREDIENTS

Chemical Name	Cas Number	Percentage
Potassium Hydroxide	1310-58-3	<10
2-Butoxyethanol	111-76-2	<20
Monoethanolamine	141-76-2	<5

## 6. PHYSICAL DATA

Melting Point	N/A
Vapour Pressure (20°C)	N/A
Evaporation Rate (n-Bu Acetate)	1
Flashpoint (TCC ASTM D56)	Nil
Auto-ignition Temperature	N/A
Appearance & odour	Clear orange liquid, Unscented
Boiling Point Range	About 100°C
Vapor Density (101.3kpa/air=1)	Less than 1
Expiration Date	24 months from date of manufacture
Specific Gravity	0.995 +/- 0.005
pH	11.0 +/- 0.5

## 7. FIRE AND EXPLOSION DATA

Unusual Fire and Explosion Hazards:	None
Fire Fighting Procedures:	None

## 8. HEALTH HAZARD INFORMATION

Routes of exposure and effects of over-exposure

Inhalation:	Irritation of respiratory system, nausea, dizziness.
Skin contact:	Repeated or prolonged contact may cause severe burns to skin.
Eye contact:	Prolonged contact may cause severe damage to eyes.
Ingestion:	Harmful if swallowed.
Skin Absorption:	May cause severe burns to skin.

## 9. EMERGENCY AND FIRST AID PROCEDURES

	<b>Possible effects:</b>	<b>Recommended remedies:</b>
<b>Inhalation:</b>	Mild nose & throat irritation	Remove and breathe in fresh air
<b>Skin contact:</b>	Dry, cracking skin	Wash with water until irritation subsides
<b>Eye contact:</b>	Irritation	Wash with water until irritation subsides

## 10. TOXICOLOGICAL INFORMATION

Irritant/Sensitization Effects: May cause severe burns of respiratory tract, skin, eyes.

## 11. SPECIAL APPARATUS

Avoid contact with eyes and avoid breathing mists.

Do not take internally, keep container closed when not in use.

Bring product to room temperature before use.

## 12. REACTIVITY DATA

Stability:	Do not mix with other chemicals
Incompatibility:	Acids
Hazardous Decomposition Product:	When water evaporates, mixture can burn and produce CO, and CO <sub>2</sub>
Hazardous polymerization:	Will not occur

### 13. RECOMMENDED HANDLING PROCEDURES

Ventilation	General room ventilation is expected to be sufficient.
Eyes Protection	Safety glasses
Other Protection Equipment	Rubber gloves recommended

### 14. SPILL, LEAK AND DISPOSAL PROCEDURES

Stop spill at source. Major spill should be collected for disposal. Minor spill may be flushed to sewer with water.

### 15. TRANSPORT INFORMATION

UN Number: N/A

This product is not regulated under transport regulations.

### 16. DISPOSAL GUIDELINES

The following advice only applies to the product as supplied. Combination with other materials may well indicate another route of disposal. If in doubt, please contact SuperSteam Asia Pacific Pte Ltd or the local authorities. This product is not suitable for disposal by either landfill or via municipal sewers, drains, natural streams or rivers.
